Introduction

THIS IS **YOUR** INSURANCE POLICY. It is a contract of insurance between **you** and **us**, and is made up of this booklet, **your** Schedule, any endorsements applied, and the proposal form or statement of fact (where appropriate). It is based on the statements and information **you** or **your intermediary** provided when **you** applied for the insurance. That information may have been given on a proposal form or a statement of fact. **We** used this information to assess the cover **we** would provide for **you** and to set the premium and policy conditions **we** need for that cover.

Please note that **we** do not check any information provided by **you** or by **your intermediary** and that **we** rely on **you** to provide **us** with complete and accurate information. **You** must take reasonable care to provide complete and accurate answers to the questions **we** ask when **you** take out, make changes to, or renew **your** Policy. If **you** fail to do so, **your** Policy may be void, or may be cancelled, or **your** claim may be rejected or not fully paid. If **you** are in doubt as to whether **you** have answered any question completely and accurately, **you** should check **your** records rather than guess.

If **you** filled in a proposal form, **we** or **your intermediary** will send **you** a copy of it if **you** request it. If **you** did not fill in a proposal form **you** should already have a copy of all the information **you** gave **us**. **You** must check this information carefully and let **us** know immediately if any part of the information **you** gave is wrong.

You should read this Policy booklet, **your** Schedule and any proposal form or statement of facts together. Please check them carefully to make sure they give **you** the cover **you** want and that the information provided is complete and accurate. **You** must inform **us** via **your intermediary** immediately if any of the information provided to **us** is incomplete or inaccurate. If **your** needs change or if any of the information on which the contract is based has changed, **we** might need to alter the Schedule. Under the Policy conditions **you** must tell **us** via **your intermediary** without delay about any changes in the information **you** gave **us**. **We** will update the contract every time **we** agree to an alteration. **You** will be given a new Schedule each time **we** renew the contract or make an alteration. If **you** ask **you** will be sent a new Policy booklet when **you** renew **your** Policy.

We agree to insure **you** under the terms and conditions set out in this Policy booklet under the Sections shown in the Schedule for **loss**, damage, injury or liability that happens during the period of insurance. If **you** have received an electronic version of this Policy booklet, a paper copy is available upon request.

The Schedule tells **you** which Sections of this Policy booklet apply. Opposite each heading of cover on those pages **you** will find some exclusions which tell **you** what is not insured under this heading. There are also some general exclusions on Pages 6 and 7 that apply to all of the contract of insurance.

You agree to pay the premium and keep to the terms and conditions of the Policy.

This insurance is underwritten by Arch Insurance (UK) Limited.

As part of Arch Insurance (UK) Limited's ongoing commitment to customer service, telephone calls to the Company may be recorded.

Thank you for choosing Arch Insurance (UK) Limited.

Claims Settlement Conditions (Applicable to Sections 1, 2 and 3 only)

The following conditions tell you how we settle claims and what we will and will not pay for.

Section 1 : Buildings

What we will pay

Following **loss** or damage insured by this Section, **we** will pay the costs of repairing or reconstructing the **buildings**.

We may make a deduction for depreciation or wear and tear if the **buildings** have not been maintained in a good condition and a good state of repair. (See Sum Insured, below).

In the event of partial damage, the sum insured will be automatically reinstated from the date of the damage unless **we** notify **you** to the contrary.

Our maximum liability for each claim is the sum insured by this Section (including if **index-linked** if in force) at the time the insured **loss** or damage occurs.

What we will not pay

We will not pay the cost of replacing anything insured by this Section which is undamaged but which forms part of a pair, set, collection or suite, or part of property of or part of any other item of matching design, nature, colour, pattern or common function when the **loss** or damage has involved another specific part or has occurred in another clearly definable area.

Sum Insured

The sum insured by this Section must be at least equal to the full cost of rebuilding the **buildings** (including the costs and expenses of debris removal, shoring up or propping; professional fees payable to architects, surveyors or consulting engineers; the costs and expenses of complying with government or local authority requirements or regulations).

(Please refer to the Building Cost Information Service (BCIS) of the Royal Institution of Chartered Surveyors (RICS) or any rebuild calculator for guidance on calculating the cost of rebuilding.)

If, at the time of the **loss** or damage, the sum insured (whether **index-linked** or not) is lower than the full cost of rebuilding the **buildings** (as described above):

- At **our** sole option, **we** may pay only the proportional cost of repair and reinstatement that the sum insured shown on the Schedule bears when compared to the full rebuilding cost; and
- **We** may also make a deduction for depreciation or wear and tear.

Index-linking

Where appropriate, the sum insured for **buildings** will be **index-linked** and **we** will adjust it on a monthly basis in line with the latest percentage change in the Building House Cost Index prepared by the Royal Institution of Chartered Surveyors (RICS).

We do not alter the premium during the currency of the insurance, but recalculate the annual premium at each renewal date using the most recently adjusted sum insured.

*Please note that an **index-linked** sum insured is not necessarily an adequate one. **You** should review **your** sum insured on a regular basis.*

*If **your** premium(s) is/are based on the number of bedrooms in the **buildings**, i.e. a notional sum insured has been applied, the sums insured will not be **index-linked**.*

Claims Settlement Conditions (Applicable to Sections 1, 2 and 3 only)

Section 2 : Contents

What we will pay

Following **loss** or damage insured by this Section, **we** will

- pay the cost of repair of any property that can be economically repaired, or
- if property cannot be economically repaired or has been lost or stolen, at **our** sole option, replace it or pay the cost of its replacement.

Our liability for such repair or replacement shall not exceed the purchase price of the same or equivalent property at the time of **loss** or damage.

We will make a deduction for depreciation or wear and tear

- in respect of clothing (over 3 years old) and pedal cycles or
- if the property has not been maintained in a good condition and a good state of repair.

In the event of partial damage, the sum insured will be automatically reinstated from the date of the damage unless **we** notify **you** to the contrary.

Our maximum liability for each claim is the sum insured by this Section (including if **index-linked** if in force) at the time the insured **loss** or damage occurs.

What we will not pay

We will not pay the cost of replacing anything insured by this Section which is undamaged but which forms part of a pair, set, collection or suite, or part of property or of part of any other item of matching design, nature, colour, pattern or common function when the **loss** or damage has involved another specific part or has occurred in another clearly definable area.

Sum Insured

The sum insured by this Section must be at least equal to the full cost of replacing the insured property "as new".

If, at the time of the **loss** or damage, the sum insured (whether **index-linked** or not) is not adequate to replace as new all the property insured by this Section when the **loss** or damage happened:

- At **our** sole option, **we** may pay only the proportional cost of repair or replacement that the sums insured shown on the Schedule bear when compared to the full replacement cost of the **contents**; and
- **We** may also make a deduction for depreciation or wear and tear.

Index-linking

Where appropriate, the sum insured for **contents** will be **index-linked** and **we** will adjust it on a monthly basis in line with the latest percentage change in the Consumer Price Index or an alternative appropriate index.

We do not alter the premium during the currency of the insurance, but recalculate the annual premium at each renewal date using the most recently adjusted sum insured.

*Please note that an **index-linked** sum insured is not necessarily an adequate one. **You** should review **your** sum insured on a regular basis.*

*If **your** premium(s) is/are based on the number of bedrooms in the **buildings**, i.e. a notional sum insured has been applied, the sums insured will not be **index-linked**.*

Section 3 : Personal Possessions

What we will pay

Following **loss** or damage insured by this Section, **we** will

- pay the cost of repair of any property that can be economically repaired or
- if property cannot be economically repaired or has been **lost** or stolen, at **our** sole option, replace it or pay the cost of its replacement.

Our liability for such repair or replacement shall not exceed whichever is the least of

- i) the purchase price of the same equivalent property at the time of the **loss** or damage; or
- ii) any sum(s) insured stated in the Schedule; or
- iii) any limit in respect of any one item, pair or set stated in the descriptions of categories A,B,C or D or otherwise endorsed in this Policy.

We will make a deduction for depreciation or wear and tear:

- in respect of clothing (over 3 years old) and pedal cycles or
- if the property has not been maintained in a good condition and a good state of repair or
- if **you** do not replace an item that has been **lost**, stolen or damaged beyond economic repair.

What we will not pay

Where any insured item consists of articles in a pair or set, in the event of partial **loss** or damage **we** shall not pay more than its directly proportionate part of the insured value of the pair or set, and shall make no allowance for any special value which such articles may have as a pair or set unless specifically mentioned in the Schedule or otherwise endorsed in this Policy.
